

Photocopy Sheet for I-9

Attach photocopies of your identity document and your employment eligibility document.
There are numerous ways to do this. See the back of the I-9 for the List of Acceptable Documents.

I've listed the most common documents here.

If you have a passport, attach a photocopy here. That's all you need to do – you are done.

Passport

No passport? Attach photocopies of your driver's license (or school ID) and your social security card.
