

***It'll be a great time in Camp Echo
In Camp Echo it will be a great time
We'll make friends all the time that's for sure now
That's the most import purpose these weeks!***

*By now you all must know
What is your bodynumber
Otherwise you risk to hear
Mad voices loud as thunder*

*There'll be breakfast each day
And eve-ry day swimming
And mostly you can keep dry
With boating and canoeing...*

***It'll be a great time in Camp Echo

*And if your canoe sinks one day..
No panic but try it over
Just retry a couple of times
It'll go lots better then..*

*And if you're on the fisherpeer
And you get a shark on the line
Ask the help from Peter "Riflery"
At the end everything will be fine..*

*Waterski is lots of fun (may be)
But realise you'll miss the soccer
Because there's more to be done
Then sinking with Curt and Catie Tucker..*

*There'll be no Indian Nite
Because there's too much rain
Tomorrow the weather will change
Fryday it won't be the same*

no coaches in the lake (yet)
Anyway there'll be some of them
at breakfast who will "sha-ake"

The female cit's are followd
by some campers
Don't look in certain jealous eyes
I won't repeat this twice

It'll be a great time in Camp Echo
In Camp Echo it will be a great time
We'll make friends all the time that's for sure now
That's the most import purpose these weeks!

Boom boom is still waiting
to be thrown into a wheat area
Do it tomorrow – morning
He won't get the malaria

The coaches were all psyched
They saw good sportsmanship
the referees were great
They didn't fall asleep

It'll be a great time in Camp Echo
In Camp Echo it will be a great time
We'll make friends all the time that's for sure now
That's the most import purpose these weeks!

On the soccerfield we saw
Some terrific Pablo kick-cassoos
Nobody did play rough
There were no off-side goals

A lot of time passed bye
Camp is almost through
We've felt the good spirit
Ti-ime really flew

It'll be a great time in Camp Echo
In Camp Echo it will be a great time
We'll make friends all the time that's for sure now
That's the most import purpose these weeks!

At the end I want to say
Enjoy yourselves each day
Be sportive to each other
And treat the others as your brother!

There's still some time for you
To ma-ake a new friend
start try – ing right now
Keep continuing till the end

We'll make friends all the time that's for sure now
That's the most import purpose these weeks!***

*Soon you will be gone,
start thinking 'bout next year
Keep remembering Camp Echo
In this we are sincere*

***WE HAVE A GREAT TIME IN CAMP ECHO
IN CAMP ECHO WE HAVE A GREAT TIME
WE WILL BE BACK NEXT YEAR THAT'S FOR SURE NOW
OR ELSE WE GO ALL IN THE LAKE!***
